Your willingness to spend time training your puppy will help strengthen your life-long relationship with your pet. Training time is time well-spent!

Please fill out both sides of the enclosed enrollment form. If you are a client at the Animal Hospital of Oshkosh, the vaccine record portion at the end of the second page will be completed by staff at the Animal Hospital.

If you are a client at another animal hospital, please attach proof of the following vaccinations with your completed enrollment form.

- DHLPP
- Rabies (If sixteen weeks or older.)
